

The abstract should be written in English.

The authors are responsible for the final content of the abstracts and should be careful to avoid mistakes in the file submitted.

The abstract should have a minimum of 1600 and a maximum of 2000 characters (with spaces) and contain brief introduction, materials and methods, discussion of results and conclusion. The abstracts should not contain any sort of citation or bibliographical references. Acknowledgements are optional.

Title, list of authors and keywords (max. 5) will not be considered for the word count.

The author who will present the poster should be the one submitting the abstract.

Submission will be done in the restricted area.
